DETAILED ACTION

Applicant's amendment was received on June 28, 2004, and has been entered and made of record. Claim 5 has been cancelled.

Reasons for Allowance

Claims 1-4, 6 and 7 (renumbered 1-6) are allowed.

This is examiner's statement of reasons for allowance.

The instant invention recites a structure of a scanner capable of adjusting lightness of a line to be scanned, comprising:

a chassis;

a light base which a light tube is mounted, the light base being mounted above the chassis;

at least one adjusting device mounted between the chassis and the light base for driving the light base to change relative distance between the light tube and a line to be scanned on a document to be scanned;

wherein the adjusting device includes at least one electromagnetic member.

The features identified, in combination with other claim limitations, are neither suggested nor discussed by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
